[Chorus:]

I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!

Hey pretty girl don't
I've got something to show ya!
Dream, you and me,
Let's go hand in hand, sex on the beach like Pamela!
Forget your man, do me in the camera!
You need a glass, I got what you want,
I'll grab that ass, you grab what you want!
You can pretend that you don't,
When I get naughty I'm sorry Shawty!

[Chorus:]

I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!

Hey, hey, pretty, go, go, closer,
So I can get to know ya!
Take it easy baby girl, don't get too close,
I might just over dose you!
Your friends ain't with you,
They're mad at you, you're
They're amateurs.
Your man got you open up,
I'll rub your body in lotions smelling like coconuts.
Baby, pour it up, drink up, I'm going in,
Then I go go, go, go, go!

[Chorus:]

I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!

I'm ready to party, trying to get tonight.
Tell me what it takes to make you dance,
If I come and make the and do my thing,
While I make you dance.
Anything just to make you dance,
Shake your ass,... and then I'll make you dance!
Just, just, just like that,
Best believe, anything happening between the shifts,
Stays between you and me!
Between you and me!

[Chorus:]
I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
I'm gonna, I'm gonna make you dance!
