Well I got empty bottles and legal papers wrinkled up  
all over the floor  
My pen won't write and my guitar doesn't have a song  
in it anymore  
Well I can write another love song, yeah, but first you  
got to find someone to love  
I could write another fight song, yeah, but there's got  
to be something to be proud of and they say

Chorus 1:

Misery love's company, but it damn sure ain't lookin'  
for me  
I'll be alright, I just gotta find someone to break my  
heart tonight  
Going out walkin' on Avenue B and I ain't comin' back  
until dawn  
And find some stranger in a Greenwich bar to shower my  
affection upon  
Well maybe she'll stay 'til one fateful day when we  
realize we've got nothin' left  
And maybe I'll find she's messed up my mind and I can  
get back to doing what I do best and they say

Chorus 1

Well all these A&R guys keep knockin' on my door  
I guess the last batch wasn't good enough cause they  
keep on wanting more and more and they say

Chorus 2:

Write what you know and it just goes to show, you gotta  
write your own destiny  
I'll be alright, I just gotta find someone to break my  
heart tonight, they say  
Misery love's company, but it damn sure ain't lookin'  
for me  
I'll be alright, I just gotta find someone to break my  
heart tonight
