Turn on the AM  
It's a catchy cliché  
From a guy in a black hat  
And a new day

Turn it off again  
Go find the fourth one  
From an old band  
It was so real

Before my time  
But I don't mind, no  
'Cause he'll take the fall  
After all  
Is said and done

No, you won't recall  
His name  
It'll be like he never came  
And all the things he had to say  
Will be washed away

Some day  
All alone  
Lookin' back  
On all that he's done  
Hey some day

Some day when it's not like before  
Well he'll search the AM  
For the catchy songs  
That nobody plays anymore

While the old band  
Before his time  
Plays loud and clear  
For the five hundredth time

Yeah he'll take the fall  
After all  
Is said and done

No, you won't recall  
His name  
It'll be like he never came  
And all the things he had to say  
Will be washed away. yeah. yeah

And all the things he had to say  
Will be washed away
