She's rad,
Not bad,
So cool,
At the pool,
Table playing,
Fishnets,
Tattoo's,
Leather chaps,
Black nails,
Hates males,
Blink shirt,
So flirt,
Sticks her finger to the fad,
Sings bout it in her punk/rock band,
She's rad,
So bad,
You lost,
No trust,
The gin,
Your cornered in,
Bored out,
Flawed out,
Gnawed out,
Your called out,
Breaking down the door now,
Stumbled out,
Fall Out, oh Boy I hate them.

I can't have her only she can,
Go out drinking every weekend,
I can only sit here and wait,
And hope that she will jump the gate.

She's bad,
Not rad,
Not cool,
By the pool,
Into pop,
Ditched the punk/rock bottom,
Hit me,
Kicked me,
Turned to Britney

Spear me the details if you don't mind,
I've had many bad things to go through,
Those who knew you fell too,
Fuck you!
I grew up now,
Down now,
Round now.

I can't have her only she can,
Go out drinking every weekend,
I can only sit here and wait,
And hope that she will jump the gate. [x3]
