It all went down,  
As the clouds rolled in,  
The sun is gone,  
The darkness conquers over,  
The rain came down,  
Covered everything,  
Like a blanket of tears,  
Saturating the world.

The storm...  
Covers everything  
The storm...  
Covers everything  
And I'm not going down.

She was standing there,  
Shrouded in fear,  
By the waves that broke,  
As the floods came near,  
Just give me one more chance,  
I'll try this time,  
I'll give you one more chance,  
Please try this time,  
The clouds they parted,  
As the sun shines in,  
Like a comet entering,  
The atmosphere,  
And as I kissed her,  
I knew I loved her,  
And your fears,  
They'll  
Melt away.

The storm...  
Covers everything  
The storm...  
Covers everything  
And I'm not going down.

The heavens open,  
The heavens open,  
The heavens open, (the storm)

And I'm not going down.
