"Bad Guy"

Visit "[Bad Guy](#)" on MotoLyrics.com

Push-ups, honey, taste good to me
I'm not the funny hookey that you came to see
Give a lick, hit the deck, break a dog's neck
Moving on the floor, people, place your bets

Dancing 'til your bones are tired
Make you sweat 'til your life expires
I'm the one tell you don't look around
'Cuz the bad guys finish with hands down

Bad guy, once was a bad boy
Bad guy, now I'm gonna destroy
Bad guy, born under a bad sign
Moon rising, shining on down on me
The bad, bad guy

Bad guy spit in the Devil's eye
Lickety split, spanking the kitty
Grab a guitar, sing a little ditty
All in the life in a day of me

Take it to the cops, try to get me stopped
Put it up for grab, start a new crop
Bad guy can be your friend if you want
He's the teacher's pet, your freak pussy taunt

Bad guy, bad reputation
Bad guy will tell you, "Get on your knees"
Bad guy, bad reputation
Bad guy that get the girls that thrill, baby

Bad guy, once was a bad boy
Bad guy, now I'm gonna destroy
Bad guy, born under a bad sign
Bad guy, now I'm just a voodoo child
Bad guy, once was a bad boy
Moon rising, shining down on me
The bad, bad guy, bad, bad, bad, bad
Baby, I'm a bad, bad guy

Bang down love, never too soon
Bad guys eye on a silvery spoon

Licking your ear, love on the moon
Bad guys were born to lose, baby

Push-ups, honey, taste good to me
I'm not the funny hookey that you came to see
Give a lick, hit the deck, break a dog's neck
Moving on the floor, people, place your bets

Dancing 'til your bones are tired
Make you sweat 'til your life expires
I'm the one tell you don't look around
'Cuz the bad guys finish with hands down

Bad guy, bad reputation
Bad guy will tell you, "Get on your knees"
Bad guy, bad reputation
Moon rising, shining on down on
The bad guy, bad guy

Bad guy, once was a bad boy
Bad guy, now I'm gonna destroy
Bad guy, once was a bad boy
Bad guy, now I'm just a voodoo child

Bad guy, once was a bad boy
Bad guy, now I'm gonna destroy
Bad guy, born under a bad sign
Moon rising, shining on down on me
The bad, bad guy
