One thing that you've got to know
Don't want this damn misery
When you find out what I mean
We will both wash ashore

I thought you were stronger
I didn't even understand
Today I know I was wrong
I'm taking no more demand

Today's the day for finding out
Where the road begins to wind
Now I know what you're all about
Taking no more of this unkind

You put my heart in quarantine
Wish we could be like before
This feels like a hammer, coming down on me
Feels like a hammer

Sure she shot enough of me
Not changing the way I feel
Try to make a fool out of me
I've about had enough, you see

The death of this is just a game

No nails to build what's torn
I'll be stronger next time around
She's gonna have to stop draggin' me down

You put my heart in quarantine
Wish we could be like before
This feels like a hammer, coming down on me
Feels like a hammer, feels like a hammer, yeah

Ooh I really hope that you'd hear what I'm saying
Baby believe

You put my heart in quarantine
Wish we could be like before
This feels like a hammer, coming down on me

Feels like a hammer, feels like a hammer
Feels like a hammer, feels like a hammer

Feels like a hammer, hammer, hammer, hammer
It feels like a hammer
Feels like a hammer, hammer, hammer, hammer
Feels like a hammer
Yeah
Feels like a hammer, hammer, hammer, hammer
Feels like a hammer
Yeah
