"Gives You Hell"

I wake up every evening, with a big smile on my face
And it never feels out of place

And your still probably working at a 9 to 5 pace
I wonder how bad that tastes

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell

Now wheres you picket fence love
And wheres that shiny car,
And did it ever get you far

You've never seem so tense love
I've never seen you fall so hard,
Do you know where you are

And truth be told I miss you
And truth be told I'm lying

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell
If you find a girl that's worth a damn and treats you
well
Then she's a fool, your just as well, hope it gives you
hell

Hope it gives you hell

Tomorrow you'll be thinking to yourself
Where'd it all go wrong, the list goes on and on

And truth be told I miss you

And truth be told I'm lying

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell
If you find a girl that's worth a damn and treats you
well
Then she's a fool, your just as well, hope it gives you
hell

Now you'll never see, what you've done to me
You can take back your memories they're no good to
me
And here's all your lies,
You can look me in my eyes
With that sad sad look that you wear so well

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell
If you find a girl that's worth a damn and treats you
well
Then she's a fool, your just as well, hope it gives you
hell

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell
When you hear this song and sing along oh you'll never
tell
Then you're the fool, I'm just as well
Hope it gives you hell
When you hear this song I hope that it will give you hell
You can sing along I hope that it will treat you well
