She's a dancer, a hot night heaven romancer  
Her piece of mind is very thin  
She can't stand the shape that she's in  
Time killer, a fool for your money fulfiller  
Your sugar daddy left you  
The creation of your own desperation  
Sure can kill you

Don't dance your life away  
Tell me how you feel  
Think you need a holiday  
Stop spinning your wheels  
Bang, bang, bangin'  
Your head against the wall  
Need another hand-out  
Headed for a fall

Gypsy, black-n-blue valentine  
Had enough of bang time  
Caught you hangin' 'round  
Wasted from the hips down  
Gypsy, black-n-blue valentine  
Runnin' out of hang time  
In the lost-n-found  
Wasted from the hips down, gypsy

She's grindin' but all of the time never mindin'  
She'll look you in the face with a smile  
Eyes starin' blank all the while  
Tongue twister, a bad mean midnight sister  
Livin' on a half time  
Honey, can't you see  
End of the line is comin'?

Bag full of money  
And there goes your innocence  
Lipstick smile is all for your defense

Push, push, pushin'  
Your luck against the wall  
Pack your bags, baby  
Get away from it all

Gypsy, black-n-blue valentine  
Had enough of bang time  
Caught you hangin' 'round  
Wasted from the hips down  
Gypsy, black-n-blue valentine  
Runnin' out of hang time  
In the lost-n-found  
Wasted from the hips down, gypsy

Hey you, what the hell is your story?  
Stop makin' yourself go down in flames  
Seems all you do is worry  
Stop the shame game, baby  
A man is to blame

Gypsy, black-n-blue valentine  
Had enough of bang time  
Caught you hangin' 'round  
Wasted from the hips down  
Gypsy, black-n-blue valentine  
Runnin' out of hang time  
In the lost-n-found  
Wasted from the hips down

Gypsy, wasted from the hips down  
Gypsy, wasted from the hips down  
Gypsy, wasted from the hips down  
Gypsy, wasted from the hips down  
Gypsy, wasted from the hips down  
Gypsy, wasted from the hips down  
Gypsy

Baby, you'll be hangin' 'round  
Wasted from the hips down  
Baby, baby, hips down, hips down  
Hips down, hips down, baby  
Black-n-blue valentine, gypsy
