Didn't go to school and I never been in a church
But those social workers got me pinned up as the worst
I've always been a thief, crime is my game
Sure, call the police, well they know my name

Even tho' I'm trouble, kids look up to me
You gotta bust your bubble, nothin's for free
I got veins of wire, hey, got some speed
Oh I'm bad luck, I ain't worth a fuck

Here comes trouble yes, here comes trouble
And I'll make you see double 'cause here comes
trouble

When I walk up the street your mama locks the door
She don't want her little girl to fuck around with me no
more
I bet you can smell me from a mile away, yeah

Sure, take a straight look up I make the buildings sway,
yeah

I don't know where I went wrong, oh
No, I don't know
Oh yeah yeah yeah yeah yeah yeah oh oh oh yeah
yeah

Even tho' I'm trouble, kids look up to me
Let us bust some bubble, nothin's for free
I got veins of wire, hey, got some speed
Oh I'm bad luck, I ain't worth a fuck

Here comes trouble yes, here comes trouble
And I'll make you see double 'cause here comes
trouble
Yes, here comes trouble yes, here comes
[Incomprehensible]
And I'll make you see double 'cause here comes
trouble
Comes trouble, yes, here comes [Incomprehensible]
And I'll make you see double 'cause here comes
trouble, yeah
