We were both young when I first saw you  
I closed my eyes and the flashback starts  
I'm standing there  
On a balcony in summer air

See the lights, see the party, the ball gowns  
I see you make your way through the crowd  
And say hello  
Little did I know

That you were Romeo, you were throwing pebbles  
And my daddy said, "stay away from Juliet"  
And I was crying on the staircase  
Begging you, please don't go  
And I said

Romeo, take me somewhere we can be alone  
I'll be waiting, all there's left to do is run  
You'll be the prince and I'll be the princess  
It's a love story  
Baby, just say yes

So, I sneak out to the garden to see you  
We keep quiet cause we're dead if they knew  
So close your eyes  
Escape this town for a little while

Oh oh  
Cause you were Romeo, I was the scarlet letter  
And my daddy said, "stay away from Juliet"  
But you were my everything to me  
I was begging you, please don't go  
And I said

Romeo, take me somewhere we can be alone  
I'll be waiting, all there's left to do is run  
You'll be the prince and I'll be the princess  
It's a love story  
Baby, just say yes

Romeo, save me

They try to tell me how I feel  
This love is difficult, but it's real  
Don't be afraid, we'll make it out of this mess  
It's a love story  
Baby, just say yes

Oh oh

I got tired of waiting  
Wondering if you were ever coming around  
My faith in you is fading  
When I met you on the outskirts of town  
And I said

Romeo, save me  
I've been feeling so alone  
I keep waiting for you, but you never come  
Is this in my head  
I don't know what to think  
He knelt to the ground and pulled out a ring  
And said

Marry me, Juliet, you'll never have to be alone  
I love you and that's all I really know  
I talked to your dad  
Go pick out a white dress  
It's a love story  
Baby, just say yes

Oh oh oh  
Oh oh oh oh

'Cause we were both young when I first saw you
