She makes me shudder
She makes me shake
At night I think and I
Want to take her away

Rainbows are on her face
Visions of tattooed chains
Egyptian reign in my world
A princess on her throne

Queen of the Nile
Love me like an earthquake
Queen of the Nile
Please let me be your king

Down by the quiet sea
No tide of hatred calls to me
Queens last on through the time
I hope the stars say that she's mine

Mysterious, delirious
I wonder if she knows
Mind-tamer, magic-maker

Fortuneteller of long ago

Queen of the Nile
Love me like an earthquake
Queen of the Nile
Please let me be your king

Queen of the Nile
I dream all over you
Save me from all I fear
My pyramids they wait for you begin

Rainbows are on her face
Visions of tattooed chains
Egyptian reign in my world
A princess on her throne

Queen of the Nile

Love me like an earthquake
Queen of the Nile
Please let me be your king

Queen of the Nile
Queen of the Nile
Queen of the Nile
Queen of the Nile
