MotoLyrics

Recon, an elite force Highly trained for war Armed and dangerous The enemy is no match For a warrior of God Come and join the soldiers of the light Be prepared to tread dangerous ground and to fight Behind enemy lines Behind enemy lines Soldier, take up your arms and use your weapon well

There's a battle field Warfare A faith waiting to be won Come and join the soldiers of the light Be prepared to tread dangerous ground and to fight Behind enemy lines... Recon, an elite... Behind enemy lines...
