### "Cigarette"

Where would you have to be right now?  
In the middle of the night while you lie in my bed  
There's nothing left inside of you

I couldn't find you last night  
I've been wondering  
Who burned you with this cigarette?

Those pictures you showed me  
Who was that sitting next to you? (Next to you)

I couldn't find you last night  
I've been wondering  
Who burned you with this cigarette?

She said, "Pull the trigger. We'll make a game out of  
this"

I couldn't find you last night  
I've been wondering  
Who burned you with this cigarette?
