"Push Push"

Broken and pushed too far.
I'll fold up neatly and disappear.
Push push, hold on, don't lose it.
Push push, hold on.

How did you end up stronger
Than me? how did i end up
Stupid and weak? i learned my lesson.

Pain disappear, i'll do anything.
Pain disappear, i'll do anything.

I get consumed by fear.
Beaten on and almost dead.
Me? you know will be gone soon.
Got nothing here instead.

How did you end up stronger
Than me? how did i end up
Stupid and weak? i learned my lesson.

Pain disappear, i'll do anything.
Pain disappear, i'll do anything.

Push push, don't lose it.
Could you spare just a little of your sun?
Hold on, don't lose it.
Could you give just a little of your light?
Being that i am the foolish sucker.
I know that i will get back to you later.

Pain disappear, i'll do anything.
Pain disappear, i'll do anything.
Pain disappear, i'll do anything.
(push push, don't lose it.)
Pain disappear, i'll do anything.
I'll do anything, i'll do anything.
