Deviate to contemplate  
This audio visual opiate  
One hundred years from now  
Title fights and human rights  
We're satellites - you're parasites  
Hey yah ya!  
Now I've got to tell you  
That I've been down  
Down so low that I bit the ground  
Let's hear it from the heart of America  
Ya da dee yeh - yeh ee oh  
In America  
Urelei USA  
For America  
Where's the peace and understanding?  
Go drum go dance sound on sound  
All this peace and understanding  
Go drum go dance round and round  
In America yeeooo ay da yeeooo ah  
A pocket full of posies  
And cheap scented roses  
Every house should have it's hat on  
So in and out and round and round,  
Up and down and lost and found  
Hey ah ha!  
Magazines and gasoline  
And made-in-Taiwan western scenes  
Will you hear us in the heart of America?  
Ya da dee yeh - yeh ee oh  
In America  
Urelei USA  
For America  
Where's the peace and understanding?  
Go drum go dance sound on sound  
All this peace and understanding  
Go drum go dance round and round  
In America yeeooo ay da yeeooo ah  
Na na ne na ne na na  
All this peace and understanding  
Where's the peace and understanding?  
Go drum go dance sound on sound  
All this peace and understanding

Go drum go dance round and round  
In America yeeooo ay da yeeooo ah  
All this peace and understanding
