Baby won't you
tell me, tell me
where have you been
it's been so long since i've been without you
but it's not like i'm around the world
and it's not like i'm caught up in fashion
and it's down right, outright, out of your mind
and it's not right
i'm right
got to unwind
i need time

help me out breathe fame and fashion
pacific ocean it needs attention
and it's not like i'm the only one
not like i'm caught up in fashion
and it's not like i'm caught up in fame
and it's not like i'm caught up in

you will get wasted again
stay up late, get shit-faced
and do it again in the morning

tell me, tell me
where have you been
it's been so long since i've been without you
but it's not like i'm around the world
and it's not like i'm caught up in fashion
fashion, fashion

you will get wasted again
stay up late, get shit-faced
and do it again in the morning

fuck we'll get wasted again
stay up late, get shit-faced
and do it again in the morning
wasted again
stay up late, get shit-faced
and do it again in the morning
wasted again

stay up late, get shit-faced
and do it again in the morning
(wasted, wasted)
wasted again
stay up late, get shit-faced
and do it again in the morning
(wasted, wasted, wasted
fuck we'll get wasted again)
