[M. Teske]

I just can't believe my eyes
It turned out this way
It seems that I'm lost in lies
I'm trapped in this way

Across the seven waters
Erase the rules inside
The ashes keep burning
Burning all the way

Go straight my way
Til it is over.
I'm here so strong
Now and forever

Long ignored all the signs
Too late for a change
My instincts are far too late
A gordian knot

Sacrifice your senses
Regain the open mind
And when the night is over
Just do it all again

It ain't over

And though I look from afar
Wasn't I too blind to see?
Why won't you tell me something?
Don't read between the lines
