The boys tell me to be careful.
Girls can't save you, you're in trouble.
Never did listen that well,
Always quick to kiss and tell.
Finding comfort in the distance,
Maybe she'll like my persistence.
Never did listen that well,
I'm always quick to kiss and tell.

I know all her little habits and the words she hates
And I couldn't help but love her more for wanting me to
stay away.
She says, I could never what you give and see,
but I can never seem to let go because of what you
mean to me.
so I keep trying, trying,
trying
Cause I'm dying, dying, dying.
Don't walk out of that door if you're not ready to let go
Cause as soon as you're gone I'll be done.

Don't go running, there's no need to, girl.
I'll stand by you honey,
I want to let you know.

The boys tell me to be careful.
Girls can't save you, you're in trouble.
Never did listen that well,
Always quick to kiss and tell.
Finding comfort in the distance,
Maybe she'll like my persistence.
Never did listen that well,
I'm always quick to kiss and tell.

I saved all the text she sent me saying how she wants
more all the counting that she gave me
but we never kept score
and I know she isn't fair to me
but I'll just ignore.

The day she doesn't pay attention,
Let her know she's adored.

She is everything that ever mattered to me,
I can't help but love her so just let me be.
My mind's clouded, surrounded
by all of my friends who tell me she's not the one,
but I'll just have to pretend.

Don't go running, there's no need to, girl.
I'll stand by you honey,
I want to let you know.

The boys tell me to be careful.
Girls can't save you, you're in trouble.
Never did listen that well,
Always quick to kiss and tell.
Finding comfort in the distance,
Maybe she'll like my persistence.
Never did listen that well,
I'm always quick to kiss and tell.

Of all the things you've said and seen,
you understand how well it's been.
And the depths of my soul.
I feel so out of control.
Jumping into crazy relations,
Function on communication.
You give me back what you stole,
so I finally fold.

The boys tell me to be careful.
Girls can't save you, you're in trouble.
Never did listen that well,
Always quick to kiss and tell.
Finding comfort in the distance,
Maybe she'll like my persistence.
never did listen that well always quick to kiss and tell.
