Lifeline call in the calvary  
Tonight  
You're making this so hard to breath  
Everytime  
You wrap your arms around me  
(Ha Ha)

Break down  
Girl you know I'm feeling you  
There's no sound  
Except from when our bodies move  
What have I got myself up into?

[CHORUS]  
Girl you make me feel like I'm walking into danger  
(Mmm, but I don't really care)  
Girl I think I'm ready for a slow dance with a stranger  
(And I want you to take me there)

Mmm, I think I'm ready for it  
Get in and I can't ignore it  
Step on the gas and floor it  
Everything you want and more cuz  
Do you think I'm ready for a slow dance with a stranger  
(stranger)

Right now my heart is beating out my chest  
Going down  
Yeah, I'm the one that loves you best  
Round and round  
Making me obsessed  
(Got one request)  
Lay back  
Let me take the driver's seat  
It's the fact that you make my life complete  
All attacked  
You're every fantasy  
Baby

Girl you make me feel like I'm walking into danger  
(Mmm, but I don't really care)  
Girl I think I'm ready for a slow dance with a stranger

(And I want you to take me there)

Mmm, I think I'm ready for it  
Get in and I can't ignore it  
Step on the gas and floor it  
Everything you want I might have  
Do you think I'm ready for a slow dance with a stranger  
(stranger)

Oh now stop coming  
I should be up and running  
Instead of walking right back into danger  
Danger, danger, yeah

Won't you keep me up all night?  
Can't get you to my side  
I want another slow dance with a stranger  
Stranger, stranger

Girl you make me feel like I'm walking into danger  
(Mmm, but I don't really care)  
Girl I think I'm ready for a slow dance with a stranger  
(And I want you to take me there)

Girl you make me feel like I'm walking into danger  
(Mmm, but I don't really care)  
Girl I think I'm ready for a slow dance with a stranger  
(And I want you to take me there)

Mmm, I think I'm ready for it  
Get in and I can't ignore it  
Step on the gas and floor it  
Everything you want I might have  
Girl I think I'm ready for a slow dance with a stranger  
(stranger)
