Cover it up and keep a distance
The anger that burns inside of me
Will put up with all your flaws and mistakes
Oh, how you take it out on me

Tellin' yourself that I was wrong
You believe all the lies he fed to you
'Cause girl if you wanted something sincere
I know that you'll never pull through

Waitin' for the day you turn yourself around

Can't stop feelin' the things I feel
Locked into something so surreal
You have me going crazy
Have it all wrong if you think
You can walk out on me

Secured in love and can't describe it
But has it ever occurred to you
The while you're asleep alone in your bed
He's out all night with someone new

Waitin' for the day you turn yourself around

Can't stop feeling the things I feel
Locked into something so surreal
You have me going crazy
Have it all wrong if you think
You can walk out on me

Waitin' for the day you turn yourself around

Can't stop feelin' the things I feel
Locked into something so surreal
You have me going crazy
Have it all wrong if you think
You can walk out on me

Can't stop feelin' the things I feel
Locked into something so surreal
You have me going crazy

Have it all wrong if you think
You can walk out on me
