Strange Things Happen
Strange Things Happen
Strange Things Happen
When you're here on Raou Raw
On the real Raou Raw
Bring me Rock 'n' Roll
Hear the Rock 'n' Roll
Rock Rock Rock!

Jag gick som en sadelprins
Alla har en spis
Som var i fjÄrran land
Pankakor, Pankakor
Han var en liten jÄrvel
Som en liten jycke han gick

Strange things happen when you return
Strange things happen when you drive your car
Strange Tings Happen When
You're made of stone
Strange Things Happen
When yo drive your car
