Give me a brush
I'll paint the night
You'll be my queen
I'll be polite

Elvis and whine
Romantic junk
We'll sit and talk
While geting drunk

Just close your eyes
And dance along
With valsing shadows of the night
And burning candles
By your side

Just close your eyes
And dance along
With valsing shadows of the night
And burning candles
By your side

Give me a pen
I will write a book
You'll be my muse
I'll be you?

Just put good music on
Let's rock and roll
Will keep on dancing
While we geting old

Just close your eyes
And dance along
With valsing shadows of the night
And burning candles
By your side

Just close your eyes
And dance along
With valsing shadows of the night

And burning candles
By your side
