(Mel Tillis - Buck Peddy)

I got the Georgia town blues I got to thinkin' of you
And I'm walkin' my feet right out of my shoes
Well my baby's gone and left me took away my love
And I can't get to Georgia on a Greyhound bus.

A honky tonk woman with the dreamy eyes broke my
heart in two
When I found out it was only life I wound up with the
blues
I got the Georgia town blues I got to thinkin' of you
If I don't get to Georgia I'll never lose these blues.
