Baby baby I miss you so very much
It hurts me baby I just gotta I gotta have my baby back
Can't sleep can't eat because I miss my sweet baby
sweet
I gotta I just gotta I gotta have my baby back

Alone in a tavern people all around laughing and
dancing paintin' the town
Jukebox is playing songs about you songs with
memories making me blue
Baby come on home without you baby I just can't go on
I just gotta I just gotta I gotta have my baby back
Alone in a tavern people all around...
I gotta have my baby back
