(Von Tilzer - Will Dillon)

I want a girl just like the girl that married dear old dad
She was a pearl and the only girl that daddy ever had
A good old fashion girl with heart so true
One who loves nobody else but you
I want a girl just like the girl that marry dear old dad.

(Let's chop the words.)

I want a girl just like the girl that marry dear old dad
She was a pearl and the only girl that daddy ever had
A good old fashion girl with heart so true
One who loves nobody else but you
I want a girl just like the girl that marry dear old dad.

(Boys all around, let me sing a little bass with you
fellers, huh.)

A good old fashion girl with heart so true
One who loves nobody else but you
I want a girl just like the girl that marry dear old dad...
