(Betty Peterson - Barney Bergantine)

My happiness.

Evening shadows make me blue when each weary day  
is through  
How I long to be with you my happiness  
Everyday I reminisce dreaming of your tender kiss  
Always thinking how I miss my happiness.

A million years it seems have gone by since we've  
shared our dreams  
But I'll hold you again there'll be no blue memories  
then  
Where the skies are grey or blue anyplace on earth will  
do  
Just as long as I'm with you my happiness.

A million years it seems have gone by since we've  
shared our dreams  
But I'll hold you again there'll be no blue memories  
then  
Where the skies are grey or blue anyplace on earth will  
do  
Just as long as I'm with you my happiness...
