Why don't you haul off and love me one more time  
Why don't you squeeze me until I'm turning blind  
If you don't cuddle up and love me like I want you to do  
I'm gonna haul off and die over you.

They say a love bug will get you at the age of twenty-  
three  
I'm not telling my age but something got a hold of me  
I'm just craving some loving in that old fashion way  
Honey, linger near and listen to all I have to say.

Why don't you haul off and love me one more time  
Why don't you squeeze me until I'm turning blind  
If you don't cuddle up and love me like I want you to do  
I'm gonna haul off and die over you.

--- Instrumental ---

Now darling come a little closer put your little hand in  
mine  
Let me feel your arms about me honey please don't  
change your mind  
For my lovesick heart's a throbbin' as I hold you close  
to mine  
Found I'm havin' lot of lovin' waitin' for me on the line.

Why don't you haul off and love me one more time  
Why don't you squeeze me until I'm turning blind  
If you don't cuddle up and love me like I want you to do  
I'm gonna haul off and die over you.

--- Instrumental ---

Now I can feel your warm lips near me hear you  
breathe so soft and fine  
I can feel the matrimony crawlin' up and down my spine  
I don't believe that love will hurt you cause it feels so  
nice and kind  
Seems mighty close to heaven when your love is on the

line.

Why don't you haul off and love me one more time  
Why don't you squeeze me until I'm turning blind  
If you don't cuddle up and love me like I want you to do  
I'm gonna haul off and die over you...
