[Originally by John Lennon]

Imagine there's no heaven. It's easy if you try. No hell  
below us and above us only sky. Imagine all the people  
living for today. Imagine there's no countries. It isn't  
hard to do. Nothing to kill or die for and no religion too.  
Imagine all the people living life in peace. You may say  
I'm a dreamer, but I'm not the only one. I hope  
someday you join us and the world can live as one.  
Imagine no possessions. Its easy if you try. No need for  
greed or hunger. A brotherhood of man. Imagine all  
the people sharing all the world. You may say I'm a  
dreamer, but I'm not the only one. I hope someday you  
join us and the world can be as one.
