initializing death, comprimising conflict  
war is not a solution  
violence is no resort  
when will any one understand

SHOCK! shock and awe  
do we have a chance? not with!  
SHOCK! shock and awe, no

ignorance is not a way to peace  
and the clock is ticking down when will you realize?  
I won't take it anymore, you won't take it anymore, we  
won't take it anymore

[Chorus]  
violence plagues the countries,  
violence plagues the cities,  
when is this world going to wake up?  
to sew that the new world order is so fucked!

[Chorus]
