Reading back on the lines
Second guessing all my words
How do I apologize for ruining someone's life besides
my own?

Regrets on the back of the boat
I guess I'm all out of time
Looking for a treasure
That I knew I'd never find

I know it's not what we planned
But I had to take a chance
And I failed

Take this note
Tear it to pieces
If I let you down again

Tie myself to the tide
Sacrificing all I had
How do I apologize for ruining someone's life besides
my own?
Regrets on the back of the boat
I guess I'm all out of time
Looking for a treasure
That I knew I'd never find

I know it's not what we planned
But I had to take a chance
And I failed

Take this note
Tear it to pieces
If I let you down again

As I float away

Let the kerosene spill
Soak the lighthouse floor
I know it's not an answer
And I know it's not a cure

I try to get to shore

I hope the moon will keep his promises
And get me back to land

This time as I float away
There won't be one more chance
There's always one more chance

Take this note
Tear it to pieces again
