All the creatures on the beaches  
Making waves in a motion picture

Won't you keep this in between us  
Search and seizure wake up venus

The dollar bill will mentally ill bill  
Mom and dad take your don't be sad pill

Turn the screw and twist my language  
Don't forsake me I'm contaigious

There's a reason  
For the 21st century  
Not too sure  
But I know that it's meant to be  
And that it's meant to be

It's my favourite combination  
Coming down with the favoured nations  
Deep rotation  
Mutilation  
Learn to give and take dictation  
Oh, oh oh, oh oh, like the cain and able  
Oh, oh oh, oh oh it's time to run this table

There's a reason  
For the 21st century  
Not too sure  
But I know that it's meant to be

And that it's meant to be

Read me your scripture and  
Read me your scripture

Read me your scripture and I will twist it

Show me your wrist and I  
Show me your wrist and  
Show me your wrist and I'll kiss it kiss it

Oh, oh oh, oh oh, Like the cain and able  
Oh, oh oh, oh oh, it's time to run this table

Simple soldier  
Hand it over  
Stop and read what you just wrote her

Strangulation  
Altercation  
all the sex and bird migration

There's a reason  
For the 21st century  
Not too sure  
But I know that it's meant to be  
And that it's meant to be

There's a reason  
For the 21st century  
Not too sure  
But I know that it's meant to be  
And that it's meant to be
