Each time we have a quarl
It almost breaks my heart
Because I'm so afraid
That we will have to part

But each night I ask the stars up above
Why must I be a teenager in love

One day I feel so happy
Then I feel so sad
Looks like I need to learn
The good
From the bad

Each night I ask the stars up above
Why must I be a teenager in love

I cried a tear
For nobody but you
I will be a lonley one if your to say were through

And if you wanna make me cry that wont be so hard to
do
If your gonna say goodbye
I will still go on loving you

Each night I ask the stars up above
Why must I be a teenager in love

I cried a tear
For nobody but you
I will be a lonley one if your to say were through

And if you wanna make me cry that wont be so hard to
do
If your gonna say goodbye
I will still go on loving you

Each night I ask the stars up above
Why must I be a teenager in love

Why must I be a teenager in love X4
