Looking in my own eyes
I can't find the love I want
Someone better slap me
Before I start to rust
Before I start to decompose
Looking in my rear mirror
Looking in my rear mirror
I can make it disappear
I like pleasure spiked with pain
Music is my aeroplane
It's my aeroplane
Songbird sweet and sour Jane
It's my aeroplane
Sitting in my kitchen
I'm turning into dust again
My melancholy baby
The star of mazy must
Push her voice inside of me
I'm overcoming gravity
I'm overcoming gravity
It's easy when you're sad to be
Just one note
Could make me float
Could make me float away
One note from
The song she wrote
Could fuck me where I lay
Just one note
Could make me choke
One note that's
Not a lie
Just one note
Could cut my throat
One could make me die
