UNDER THE BRIDGE

Sometimes I feel like I don't have a partner
Sometimes I feel like my only friend
Its the city I live in, the city of angels
Lonely as i am, together we cry

I drive on her streets cause she's my companion
I walk through her hills cause she knows who I am
She sees my good deeds and she kisses me windy
I never worry, now that is a lie

I don't ever wanna feel like I did that day
Take me to the place I love
Take me all the way I don't ever wanna feel like
I did that day
Take me to the place I love
Take me all the way, yea yea yea

It's hard to believe that there's nobody out there
It's hard to believe that I'm all alone
At least I have her love the city, she loves me
Lonely as I am, together we cry

And I don't ever wanna feel like I did that day
Take me to the place I love
Take me all the way
And I don't ever wanna feel like I did that day
Take me to the place I love
Take me all the way yea yea ye-yea
Oh no no no
Yea ye-yea
Love me I say yea ye-yea

Under the bridge downtown
Is where I drew some blood
Under the bridge downtown
I could not get enough
Under the bridge downtown
Forgot about my love
Under the bridge downtown
I Gave my life away
