Bear paws and rascal power watching us in your
garage
Big girl, you ate the neighbor, the nova is over
Wake up and play, [Incomprehensible]
Make room for Clara's bare feet, the love of a Martian

Tick-tock and waiting for the meteor
This clock is opening another door

Lots of love, just keep it comin', making something out
of nothin'
(These are the best that I)
I don't know how to say, losin' what I love today
(These are the best that I)

Lots of love just keep it comin', making something out
of nothin'
(These are the best that I)
I don't know what to say, lookin' what I lost today
(And these are the things that I)

Blood flowers in the kitchen, signing off and winding
down
This Martian ends her mission, the nova is over
She caught the ball by the mission bell
Chase lizards, bark at donkeys, the love of a Martian

Let's bow our head and let the trumpets blow
Our girl is gone, God, bless her little soul

Lots of love, just keep it comin', making something out
of nothin'
(These are the best that I)
I don't know how to say, losin' what I love today
(These are the best that I)

Lots of love just keep it comin', making something out
of nothin'
(These are the best that I)
I don't know what to say, lookin' what I lost today
(And these are the things that I)

She's got a sword, in case though this is not her, Lord
In case, the one who can't afford to face her image is
restored to grace
Disappeared, no trace, musky tears, suitcase
The down turn, brave little burn cub, bear careless
Turnip snare rampages pitch color pages

Down and out, but not in Vegas, disembarks and
disengages
No loft, sweet pink canary cages plummet, pop dew
skin fortitude
For the sniffing black noses that snort and allude to the
dangling trinkets
That mimic the dirt, cough, go, drink, it's, it's for you

Blue battered naval town, slip kisses delivered by duck
muscles
And bottle nosed grifters arrive in time to catch the late
show
It's a beehive barrel race, a she hive stare and chase
wasted feature
Who tried and failed to reach her, embossed beneath a
box
In the closet that's lost

The kind you find when you mind your own business
Shiv sister to the quickness
Before it blisters into the new morning, milk blanket

Your ilk is funny to the turnstile, touch bunny
Whose bouquet set a course for bloom without decay
Get your broom and sweep the echoes of yesternights
Fallen freckles away
