I'm coming for ya 'cause,  
'cause I adore ya and,  
I like to get inside your mass production.  
This indecision has,  
has got me cringing well,  
I can't resist the smell of your seduction.

Did I let you know?  
Would you like to go?  
Unwrap the package with how much persuasion?  
Did I let you know?  
Would you like to go?  
I wanna dance to every days' occasion.

(Chorus)  
This I know! Yeah this I know!  
(Take me home well take me home)  
This I know, we're not alone.  
(Take me home, take me home)

When we envision a,  
lack of division and,  
the planet does another revolution.  
The day I blew on ya,  
you said I grew on ya,  
turns out that we are all the one solution.  
Go!

(Trumpet Solo)  
Ha ha!

I'm coming at you well,  
you are the cap to and,  
I like the sound of your articulations.  
Want to arouse her and,

maybe espouse her well,  
she showed me love without the stipulations.

(Chorus)  
This I know! Hey this I know!  
(Take me home well take me home)

This I know, we're not alone.  
(Take me home, take me home)

(Guitar Solo)  
Ha ha!

I wanna lean on ya,  
get Jan and Dean on ya,  
it's time to sway a little mass perception  
I liked you cheeky well,  
so mose and peaky and,  
I think the world could use a clear connection.

(Chorus)  
This I know! Yeah this I know!  
(Take me home well take me home)  
This I know, we're not alone.  
(Take me home, take me home)

This I know! Hey this I know!  
(Take me home well take me home)  
This I know, we're not alone.  
(Take me home, take me home)

x3  
Did I let you know?  
Would you like to go?
