I'm an ocean in your bedroom  
Make you feel warm  
Make you wanna re-assume  
Now, we know it all for sure

I'm a dance hall  
Dirty break beat  
Make the snow fall  
Up from underneath your feet

Not alone, I'll be there  
Tell me when you wanna go

I'm a meth lab, first rehab  
Take it all off  
And step inside the running cab  
There's a love that knows the way

I'm the rainbow  
In your jail cell  
All the memories of  
Everything you've ever smelled

Not alone, I'll be there  
Tell me when you want to go  
Ooh

Sideways falling, more will be revealed my friend  
Sideways falling, more will be revealed my friend  
(Don't forget me, I can't hide it)  
(Come again, get me excited)

I'm an inbred and a pothead  
Two legs that you spread  
Inside the tool shed  
Now, we know it all for sure  
I could show you  
To the free field  
Overcome and more  
Will always be revealed

Not alone, I'll be there

Tell me when you wanna go  
Ooh

Sideways falling, more will be revealed my friend  
Sideways falling, more will be revealed my friend  
(Don't forget me, I can't hide it)  
(Come again, get me excited, ooh)

Sideways falling, more will be revealed my friend  
Sideways falling, more will be revealed my friend  
(Don't forget me, I can't hide it)  
(Never met now, let me light it)

I'm the bloodstain  
On your shirt sleeve  
Coming down and more are coming to believe  
Now, we know it all for sure

Make the hair stand  
Up on your arm  
Teach you how to dance  
Inside the funny farm

Not alone, I'll be there  
Tell me when you wanna go

I'll be there but  
Tell me when you wanna go  
Come again and  
Tell me when you wanna go

More will be revealed my friend
