God is good and fate is great,
when it feels so strong it's hard to wait.
You never know how it might unfold,
hearts to break and bodies to hold.
Time will tell but it never gets old.
Like I told you I'm in for the long long.

Had to of been one of those things that took place in
outer space.
A match made in heaven, not a scratch on her face.
Angels must have smoked some dust,
singing songs about "In God We Trust".
Something sly, but this is a must.

Like I told you there's a time for finding out.

Ah people try to tell me what not to do,
"You shouldn't make it with a younger girl." and
Too many chances for the foot to drop,
I tried to tell 'em that I found a pearl, well...

Like I told you be careful what you're asking for.

(Chorus)
This is to Brutus!
Gotta mess of a better hell. Ow!
This is to Judas!
Even you never had my back.

She was the cutest thing that I ever did see.
A drink in her hand and I don't mean tea.
She was with a dude, but I just didn't care.

I had to find out, these moments are rare.
And Stevie says, "All is fair."

Like I told you there is something for everyone.

Well I guess I never told you some things that I really,
really wanted to say.
Did I do everything I could do, or did the mice just need
to play?

Like I told you there's more than meets the eye.

(Chorus)

This is to Brutus!
Gotta mess of a better hell. Ow!
This is to Judas!
Even you never had my back.

I'm not trying to point fingers at you, and I'm not trying
to lay any blame.
But when it comes to the punishment, girl you know
how to bring the pain.

Like I told you I'd do it all again.

This is to Brutus!
I gotta mess of a better hell. Ow!
This is to Judas!
Even you never had my back.

Come on

This is to Brutus!
There's a jury to the woman's lap. Ow!
This is to Judas!
Even you never had my back
