Woop Woop! Ha

Junior paints that old cafe,
he's gotta change those girls around.
Westbound drunk with lots to say,
but he never makes a sound.
Hustlers get what they deserve,
but its always half the date.
Good things come to those who wait,
like an expiration date.

(Chorus)

See you around, I'll see you around
I'll play all night, hey don't get uptight.
I lead all your mind games astray.
Well I'll see you around, I'll see you around,
I'll play all night, hey don't get uptight.
See you, so long, goodbye, hooray.
Aww

Curb your tongue oh scallywag,
because you got no flag to wave.
Save your breath for the black and white,
every dog will have its day.

(Chorus)

See you around, I'll see you around
I'll play all night, hey don't get uptight.

I lead all your mind games astray.
Well I'll see you around, I'll see you around,
I'll play all night, hey don't get uptight.
See you, so long, goodbye, hooray.

Well I'll see you around, I'll see you arou-hound!

(Bass Solo)

Aw yeah
Aw yeah
Aw yeah

(Chorus)

I'll see you around, I'll see you around,
I'll play all night, hey don't get uptight.
I lead all your mind games astray.
Well I'll see you around, I'll see you around,
I'll play all night, hey don't get uptight.
See you, so long, goodbye, hooray.

Well I'll see you around, I'll see you around,
I'll see you around, I'll see you around,
I'll see you around.
Goodbye and Hooray

Well I'll see you around, I'll see you around oh nah nah
nah no!

(Guitar Solo)
