How strong is my love?
How strong is my love?
How strong is my love?
How wrong could it be?

I'll walk a water mile
Rest a while to kiss your smile
Laugh and roll and after a while
I'll begin to like your style

How strong is my love?
How wrong could it be?
She turned me down this time she
She turned me down
Lord, I can't believe she
She turned me down
She turned me inside out she
She turned me down
All I ask of you
Is turn me up this time

How strong is my love?
How strong is my love?
How strong is my love?
How wrong could it be?

Come on over show me yours
Your glow soul I do adore

I'll be sure to drop my guard
And give it up it's not that hard

How strong is my love?
How wrong could it be?
She turned me down this time she
She turned me down
Lord, I can't believe she
She turned me down
She turned me inside out she
She turned me down
All I ask of you
Is turn me up this time

How strong is my love?
How strong is my love?
How strong is my love?
How wrong could it be?

Tested life but that's alright
Darker than the darkest night
Living hell and pollocks at you
Getting new down on your back

How strong is my love?
How wrong could it be?
