Some come up and some come young  
Live to love and give good tongue  
Sit down get down in the sun  
Rocket to the women is on the one

I like dirt  
I like dirt  
I like dirt  
I like dirt

The earth is made of dirt and wood  
And I'd be water if I could  
I live in a dream  
In your stream  
I live in a dream

Some come up and some come young  
Live to love and give good tongue  
Sit down get down in the sun  
Rocket to the women is on the one

I like dirt  
I like dirt

I like dirt  
I like dirt  
Some come slow and overload  
Must roll over when you're told  
Let's unzip and let's unfold  
A letter to the pet better get it to go

I like dirt  
I like dirt  
I like dirt  
Space is made of everything  
And I'd be fire that I bring  
I live in a dream  
In your spring  
I live in a dream

Some come slow and overload  
Must roll over when you're told

Let's unzip and let's unfold  
A letter to the pet better get it to go

I like dirt  
I like dirt

I like dirt  
I like dirt

Some come up and some come young  
Live to love and give good tongue  
Sit down get down in the sun  
Rocket to the women is on the one

I like dirt  
I like dirt

I like dirt  
I like dirt

Some come up and some come young  
Live to love and give good tongue  
Sit down get down in the sun  
Rocket to the women is on the one
