In love dying  
There's a flawless rain  
In love dying  
One foot in the astral plane  
Someone's sighing  
There's a virgin road  
Waiting to be strode  
Rope's untying  
This power I could not withhold

Satisfying  
What do we contain  
Can't stop crying  
These tears of change  
Remain the same

My girl she shoots down  
The baddest of guys  
She knows that they  
Want me dead  
She fires up the starry night  
And fills them so full  
So full of lead

In love dying  
Does it go two ways  
In love dying  
This body I can not detain

Wake up flying  
She the solar shores  
Passers buying  
The memories we readorn

In love dying  
Nothing to obtain  
In love dying  
No crawling thru  
The halls of fame

In love dying

Loss becomes the gain  
In love dying  
Recreate me  
So I may sustain
