Smile  
When I'm shy in ways  
But I love  
Everything of first impressions  
Sweet successions

Been around for quite a while  
I see you kept in versatile  
Motivated to combine  
Even when it's bad it's fine  
Did she say something  
That made you cry  
Have you lost it all  
The big fall  
Oh so slowly  
Comes back holy

Bishop takes a knight  
But I will put up quite a fight  
Here is your ham on rye  
Elementary the chemistry  
Means everything to me  
The long progression's why

Set it off to collect knowledge  
Quit a job  
And go to college  
All about the aftershock  
Swedish latin super funk  
Moses of Manhattan  
Made it great  
Pain we celebrate  
And I love  
The long progression

Bishop takes a knight  
But I will put up quite a fight  
Here is your ham on rye  
Elementary the chemistry  
Means everything to me  
The long progression's why

In between the reasons  
Are the psychedelic seasons  
Simple as your stride  
Information intimated  
Elegant and integrated  
Sweep your floors with pride

Smile  
â€˜Cause itâ€™s all a ride  
All supplied  
And I love  
Everything about this session  
And this long progression

Bishop takes a knight,  
but I will put up quite a fight  
so here's your ham on rye  
Elementery,  
the chemistry means everything to me  
Long progressionâ€™s why  
In between the regions and  
the psychedelic seasons  
simple as your stride  
Information intimated  
Elegant and integrated  
Sweep your floors with pride
