Magpie's on fire
making love like little
worms out on the porch
can lead to medicine
oh well I'm game,
for anything at all
Scarecrow's a liar
Spins a yarn and
no one checked it out
to see if it was real
sold you the moon
and now it's time to fall
all in all it's like the
bird who's trapped alone inside your cage
love
what more do you want?
how much more can you take?
I love my mistakes
I've been here before
all in all it's just
a call of something wise beyond your room
there's a changing of a major chord
your minor thread will do, love
my gun misfired
shot myself instead i guess
i always knew id be the one to lose
my scream don't slay
time to make a move
what more do you want?
how much more can you take?
I love my mistakes
I've been here before
All in all it's like a
Bird who's trapped alone inside your cage
Love
A bird who's going to live out half your age, girl
A bird who's never really had a say
what more do you want?
how much more can you take?
I love my mistakes
I've been here before
least of all she's like

a bird who's now been
freed from someone's cage
