Me and my me and my me and my me and my me and  
my friends  
(repeat x3)

Like two sweet peas  
In an even sweeter pod  
That's my friend and my friend's name is Bob  
Like the devil knows hell I know Bobby well  
Well enough to tell you 'bout his 67 smells  
Well enough to tell you he's a hella swell fella  
Well enough to tell you that we know each other better  
Than we know ourselves  
Like freaks of a feather we'll rock together  
I know Bobby well but I think he knows me better

Me and my me and my me and my me and my me and  
my friends  
(repeat x3)

He's as close to me  
As a friend can be  
Well I'll be standin' by my buddy  
He'll be standin' by me  
I'm just another half of  
The two-headed freak  
But I need him like my heart needs to beat  
At this point in this friendly verse  
I need to sing a little something that I haven't  
rehearsed  
It's about my man  
And his name is Hilel  
For who my love is soul brother sacred  
Take it huckleberry  
Slim boy take it

Me and my me and my me and my me and my me and  
my friends  
(repeat)

Jackie's eyes are closed  
But he's right on course

Because he's guided by the invisible force  
He drives a kooky green chrysler  
Bad as anybody's porsche  
He's a working class drummer  
He's as strong as a horse

Me and my me and my me and my me and my me and  
my friends (repeat x3)
