Please don't ask me who,  
uh who you think I am.  
I could live without that,  
I'm just a modest man.

(Chorus)

Meet at the corner and uh,  
tell me what to do cause I messed up on you.  
And had I known all that I do now,  
I'm guessing we're through now.  
Receding into the forest I will,  
lay around and wait and I'll wait for you.

Please don't ask me where,  
where you think I've been.  
I been a lot of places,  
but this could be my win.

(Chorus)

Meet at the corner where I,  
tell me what to do cause I messed up on you.  
And had I known all that I do now,  
I'm guessing we're through now.  
Receding into the forest I will,  
lay around and wait and I'll wait for you.

I feel so bad thought you'd oughta know,  
I feel so bad thought you'd oughta know.  
Something I wanna show,  
I thought you'd oughta know.

Please don't say you want,  
to keep in touch out there.  
To see you on the corner,  
that I just can't bear.

(Chorus)

Meet at the corner and uh,  
tell me what to do cause I messed up on you.  
And had I known all that I do now,  
I'm guessing we're through now.  
Receding into the forest I will,

lay around and wait...

And I turn,  
I turn my head when I thought I saw a sign from the  
gods.  
A sign from the gods that you were meant to be mine,  
and it's fine.  
Taking it over around to the day that its gone.  
I'm mystified by where it all went wrong, when it's  
gone.  
I live and I love and I lose and I win,  
but its better than ever whenever I'm in.  
Thank you girl for everywhere that we've been.
