We're millionaires against hunger

I'm a millionaire and I got something to say  
I got a million more that'll take me away  
All the other ones' bills starting to percolate  
As far as I'm concerned, why that's okay

Well, I'm a millionaire too but not like you  
As far as I'm concerned, I got a job to do  
I've got to pave the way, I've got to save the day  
I've got to make it better, I've got to say

You and I, we're millionaires but we're a million miles  
away  
From the saint who stares  
Upon the millions who die, everyday of the week  
Just because they can't get enough to eat

While we the rich dine on all these feasts  
And everything's fine, yeah, peaches and creme  
But it just isn't something you've got to realize  
There's something wrong, we've got to open our eyes  
When the world cries, we just can't hide  
We've got a job to do, we've got to save some lives

We're millionaires against hunger

Hey, hey, Mr. Millionaire  
Twice as nice when you share  
Hey, hey, Mr. Millionaire  
A spiritual price do you care

Hey, hey, Mr. Millionaire  
Dice the mice when you share  
Hey, hey, Mr. Millionaire  
Pave the way, take the dare

I'm a millionaire and I got something to say  
I got a million more that'll take me away  
All the other ones' bills starting to percolate  
As far as I'm concerned, why that's okay

Well, I'm a millionaire too  
All I know that is true is that I've got more cash than I  
can use  
I want anything that I can have but I don't need nothin'  
and I never have  
Each damn day my heart's set far but I'll be okay 'cuz I  
don't starve

Kids from the street the losing their emotion  
So damn snobby so out of touch  
With two hungry people who die as they stare at the city  
at night  
You know it gives to share

So listen up, you millionaires  
Every woman, every man, help all you can  
All races unite and I will now concern  
To the type of problem that helps us learn

We're millionaires against hunger

Hey, hey, Mr. Millionaire  
Twice as nice when you share  
Hey, hey, Mr. Millionaire  
A spiritual price do you care

Hey, hey, Mr. Millionaire  
Dice the mice when you share  
Hey, hey, Mr. Millionaire  
Pave the way, take the dare
