A little bit of paper but that's ok  
I got sure an i got her today  
hanging out winds to meet my four  
this time i call my lord  
My Lord, my Lord

A little bit of stage to cast our play  
I got ten men to come my way  
Check it to the Betty to miss my love now  
Take it baby for come my way

A little bit of love  
A little bit of love, that's ok  
Take it down the city to mast our care  
A little better to come my way  
Shake it down to dig my Lord  
Come on then drama King an bear my soul  
That's ok

My Lord, Whoa  
My lord.

I can touch you on your skin  
A time to come an a time to begin  
I like looking into your eyes girl  
Come one the oh yeah, oh yeah, oh yeah  
Take it then!

I saw you sittin to park my floor  
I saw you begging to give me more  
I saw you dancing around my head now  
How'd you like to stab my brain

Want you want  
Oh, what you need  
Come on.  
What you really, yeah! Really!  
How you gonna stop this here  
Whoa

That's enough. Yeah!

Nothing To Lose, everything  
to gain i say it's only on knew  
you on time better sit down for...  
Away...

you say you faster than the  
drummers in your life well  
I said that's ok.

I've been made up of everything you know  
sometimes it goes your way.  
You're ratted on well that's ok  
YEAH!  
That's ok. (Today)

Your seven years but don't hold three  
I got a feeling that is so free  
I'm coming out to give my teacher for  
Tell me of course I've grown

She's comin about seven dates  
an i'm free to lead  
(Vocal improvisation, words made up)  
She lives hard an need but that's ok  
Cause i live on the west an you know what  
i'm gonna say, y'all i got my team, that's ok

You don't funk they go your way  
(Made up words again)  
Yeah, yeah, yeah, yeah, yeah  
yeah, yeah, yeah, yeah

Whoa, whoa, whoa!

Whatever you do, the mirror's  
what you bring it

The mirror's what you make it  
The mirror's what make it

It's what you make it. Oooooo, it's  
all the love for you, ooooooo.

I feel it cast, reelin, tired, stealin'  
for feel it.

Falling i'm coming for you the two  
high long time  
For your life  
It's a blank canvas, you can make  
it whatever you wanna make it

It's fresh snow, don't piss in it.  
This is your fucking life

Thank you for coming to the show.  
We love all of you,  
We love all of you, We love all of you,  
we love all of yooooooooooooou...
