I am you are me  
Good woman said you gotta believe  
Submerge into the urge of we  
Deliciously the mystery

One big mob aw yea aw yea  
One big mob aw yea aw yea  
Eh bara mala aw yea aw yea  
Eh bara mala aw yea aw yea

Ooze into into my noodle  
East or west shepherd or poddle  
Lady bug pinetree  
To mingle with the bumblebee  
A lover to the sun  
And a brother to the cool breeze

Chorus :  
Scrawled upon the wall  
Of a bathroom stall  
A stranger wrote a note  
That spoke to all

One two buckle my shoe  
Take care of me  
Cause I might be you

We live in the city  
We live in the jungle  
Its time to be drinking  
A thimble humble  
Everything you ever see  
Is never more than you and me  
Give it on into the beauty of the mystery

One big mob in one big home  
A broken home  
Id like to share some air with you  
Some air with you  
A morning forest full of truths  
The green is blue

The head that's getting pregnant lives  
to give and give  
What was I thinking in my head  
The color red  
Breaking hearts instead of bread  
Something I said  
Checkmated by frustration  
Need to be cut loose  
A different kind of being lost  
A sullen cost  
Picaboo street in Timbuktu  
Do I need repeat  
That a boy named Sue ?  
Rockin to the beat  
Of the kangaroo Let me kiss your feet And your  
forehead too
